GREEN LINE

THE NATURAL WAY

Die LUBA-print **Green Line** Serie ist eine neue Generation von Wachsdispersionen basierend auf **natürlichen Wachsen** und **umweltfreundlichen, biologisch gut abbaubaren** Emulgatoren.

Hochwertige Oberflächen und umweltfreundliche Produkte können mit diesen Wachsdispersionen hinsichtlich ihrer Oberflächeneigenschaften wie z.B. Slip, Kratzfestigkeit, Anti-blocking, Haptik und Optik **verbessert werden**.

Bitte sprechen Sie uns an, um das für Sie passende Produkt herauszufinden. Auch für **maßgeschneiderte Green Line** Produkte stehen wir Ihnen mit unserer langjährigen Erfahrung & Know-how auf dem Gebiet der Wachsadditive jederzeit gerne **zur Verfügung**.

The LUBA-print **Green Line** series is a new generation of wax dispersions based on **natural waxes** and **environmentally friendly emulsifiers with good biodegradability**.

By using these wax dispersions, **high quality finishes** and environmentally friendly products **can be improved** concerning their slip, scratch resistance, anti-blocking, touch and visual properties.

With regard to **tailor-made Green Line** products, we are also **at your disposal** with our many years of experience and technical know-how in the area of wax additives. Please contact us to find a suitable **Green Line** product for you.

LUBA-print	Wax type	Solid content (%)	Medium
185/B	Polyethylene	60	Water
